Description

2026 Scanvogn 240 - Bathroom Trailer with macerator and extras
Mobile bathroom. Set up anywhere.

The Scanvogn bathroom trailer is for events, construction sites, remote work camps, and emergency deployments where a permanent bathroom is not available. Self-contained, towable with a standard vehicle, and operational within minutes of arrival. No connection to mains water required — built-in tanks cover both supply and waste.

Proven across demanding applications.
Scanvogn trailers are used by government agencies, civil contractors, event operators, and emergency services across Australia and Europe. Built to handle repeated deployment and transport without degrading.

Hot-dip galvanised chassis. LED lighting.
Built for outdoor storage and repeated use in all weathers. The chassis handles long-term site deployment without corroding.

Danish-designed. RVSA 2023 compliant. Ready to register.
Talk to us about your site requirements and water availability.
