Description

SEM HIRE Contact us for further information on availability and rates 1800 SEM HIRE bookings@semhire.com.au ---------- The Morooka MST130CR is a heavy-duty rotating crawler carrier built for transporting and precisely placing large material loads across soft, muddy, steep, and challenging terrain. Powered by a 282 HP Isuzu diesel engine and hydrostatic transmission, it delivers exceptional power, traction, and productivity for demanding civil construction, mining, forestry, and infrastructure projects. With a 13,000 kg payload capacity, 16.2-tonne operating weight, 800 mm rubber tracks, and a 360-degree rotating upper structure, the MST130CR enables accurate material placement without repositioning, improving efficiency on large-scale job sites. ----------
