Description

The Develon DX27Z-7 is a 2.8-tonne tracked excavator that combines powerful performance with a compact design, making it an ideal choice for urban projects, landscaping, and confined worksites. Powered by a reliable Kubota V1505 engine, it delivers excellent digging force and smooth operation while maintaining impressive fuel efficiency. Its zero-tail swing design and narrow 1,550 mm width provide outstanding maneuverability without compromising stability, allowing it to navigate tight areas with ease. With a maximum digging depth of up to 2,845 mm and a robust digging force of 21.8 kN, the DX27Z-7 is built for maximum productivity. Choosing the DX27Z-7 from DWL Machinery means you're investing in more than just a machine; you're securing a long-term partnership with a trusted industry leader. DWL Machinery provides unparalleled local support, expert service, and a comprehensive inventory of parts to ensure your equipment remains in peak condition. Our commitment to minimizing downtime and maximizing your productivity means you can focus on your projects with the confidence that comes from having a reliable team backing you every step of the way.
