Description

FOLLOW US FOR ALL NEW LISTINGS: @dwlmachinery Ph: Andrew 0401 873 538 or 1300 DIAL DWL _____ The Develon DX89R-7 mini excavator is built for demanding jobs, with an operating weight of 21,025 lbs and a net rated horsepower of 63.2 hp. Its advanced design features torque-limiting piston pumps that ensure efficient power delivery, while integrated slew brakes make for easy and precise positioning. The machine is engineered for versatility, with a hydraulic quick-coupler-ready design and a thumb-ready arm that accommodates a wide range of attachments, making it a valuable asset for utilities and commercial building construction. By choosing the DX89R-7 from DWL Machinery, you are not only getting a top-of-the-line excavator but also a dedicated partner committed to your success. Our team provides expert local support, comprehensive service, and a dependable supply of parts to keep your equipment running smoothly. We are focused on minimizing your downtime and maximizing your productivity, giving you the confidence that comes with having a reliable and knowledgeable partner backing you every step of the way.
