Description

2025 IVECO Daily 35S18 – Smart, Strong, and Ready for Business Now available from IVECO – North East Group, the 2025 IVECO Daily 35S18 delivers the perfect balance of performance, efficiency, and comfort for operators who need a reliable light commercial vehicle that works as hard as they do. Powered by a refined 3.0L turbo diesel engine producing 180hp, the Daily 35S18 offers smooth, confident performance with excellent fuel efficiency. Its strong ladder-frame chassis sets it apart from conventional vans, providing superior durability and flexibility for a wide range of body configurations. Key Benefits 3.5-ton GVM, ideal for car-licence operation Powerful yet economical 3.0L turbo diesel engine Heavy-duty steel chassis for increased strength and longevity Comfortable, car-like cabin with intuitive controls Advanced safety technology including stability control and driver assistance systems Easy upfitting for deliveries, trades, service bodies, or refrigerated applications Proven IVECO reliability with low whole-of-life costs Purchasing from IVECO – North East Group means you're backed by local expertise, factory-trained technicians, and ongoing support to keep your vehicle on the road and your business running efficiently. If you're looking for a modern, dependable light truck that offers real working strength without compromise, the 2025 IVECO Daily 35S18 is the ideal solution. Contact IVECO – North East Group today to secure your new Daily or arrange a test drive.
