Description

The Hino 300 Series Hybrid Electric light-duty truck is a perfect solution for your business. Delivering up to 20%* fuel and emissions reductions, no recharging or range limitations, and customers can select from car-licenced 4.5 tonne GVM all the way to medium-rigid, licenced 8 tonne GVM. Powered by the N04C four-cylinder engine and the electric motor, the hybrid driveline delivers a combined 150hp and 470Nm of torque from a very low 1200RPM. Meeting Euro 6 emissions standards through the exhaust gas after-treatment unit which contains a Diesel Particulate Reduction system and Selective Catalytic Reduction system. The six-speed automated transmission is coupled directly to the electric motor, which assists with quicker and smoother gear shifts. The Hino 300 series Hybrid comes fully equipped with Hino SmartSafe plus enjoy further peace of mind with 5 Years Warranty^ and 5 Years Roadside Assist. Powered by Toyota Group technology, experience Australia's only Hybrid Electric that reduces your operational costs to gain a competitive advantage. Get working sooner with our Finance and Insurance team available to give you the best options for your business faster! We are a 100% Australian owned family business. Built from the ground up over a quarter of a century and backed by family values, we're the one-stop auto shop that always goes above and beyond.
