## Description

FOR SALE – KOBELCO SK140SRLC-7 EXCAVATOR WITH LONG ARM, QUICK HITCH + ECW (ADVANCED CAMERA SYSTEM)

SPECIFICATIONS Model: Kobelco SK140SRLC-7 Medium Excavator Engine: Tier-compliant Isuzu diesel with strong torque and efficient cooling Operating Weight: Approx. 15,000–16,000 kg depending on options and counterweights Digging Reach: Up to ~8.37 m with Long Arm Digging Depth: Up to ~5.5 m with Long Arm Hydraulics: High-flow system with quick hitch piping for attachments Cab & Controls: Large colour monitor, easy joystick operation, enhanced visibility Warranty Support: Full machine and extended major component coverage available through Kobelco dealers WHY BUY KOBELCO EXCAVATORS Reliability and Performance – Kobelco excavators are engineered for durability and consistent uptime on site, built to handle tough workloads with strong digging force and smooth operation. Fuel Efficiency – Advanced hydraulics and engine design deliver lower fuel consumption and greater work hours per litre, helping reduce operating costs. Comfort and Productivity – Ergonomic cabins, intuitive controls, and low-noise performance keep operators productive and comfortable throughout long shifts. Comprehensive Dealer Support – Excellent warranty coverage and a nationwide authorised dealer network for parts, service, and technical support. WHY BUY FROM NORTH EAST AUTO GROUP Official Kobelco Dealer – Authorised dealer with established sales, parts, and service support for Kobelco excavators. One-Stop Heavy Machinery Solutions – Full machine support including sales, servicing, genuine parts, warranty handling, and after-sales care tailored for construction equipment. Experienced, Knowledgeable Team – Decades of experience in trucks, machinery, and equipment solutions, focused on long-term customer relationships. Convenience and Support – Access to onsite servicing, reliable logistics, and ongoing support makes owning and operating your Kobelco easier and more efficient. For pricing, machine history, finance options, and delivery availability, contact North East Auto Group today.
