## Description

2025 SITRAK HOVA 4x2 Terminal Tractor – 280 HP | Allison Automatic | Tough & Reliable Yard Tractor Available for Order – \$159,530 + Government Charges

Top Features:

- 280 HP / 1,100 Nm MC07.28-50 engine – strong low-speed torque for constant trailer shunting
- Allison automatic transmission – smooth directional changes for high-cycle yard operations
- Hydraulic lifting 5th wheel – fast, safe coupling for maximum trailer moves per hour
- Low-entry day cab – quick and easy entry for repetitive shift work
- Compact 4x2 wheelbase – exceptional manoeuvrability in tight ports and terminals
- Heavy-duty chassis – built for continuous operation and repetitive impact loads
- Wide-view visibility – designed for safe trailer spotting and busy yard environments
- 300 L fuel tank – long duty cycles with fewer interruptions

Performance & Application

The HOVA 4x2 is engineered specifically for terminal, warehouse and container yard operations. Its high-torque engine, Allison auto and short wheelbase deliver predictable, efficient control for constant trailer movements across tight spaces. Ideal for operators who need reliable, low-cost, high-cycle yard performance. Perfect for:

- Container terminals
- Port operations
- Logistics yards
- Intermodal sites
- Distribution centres
- High-cycle shunting and trailer spotting
- Fleets seeking low TCO yard tractors
- Owner-operators needing a dependable tug truck

Why HOVA?
