Description

2025 SITRAK G5S 8x4 Cargo Cab Chassis – 350 HP Euro 6 | Allison 4430 Automatic | Engineered for Maximum Load & Heavy-Duty Applications \$200,000 + GST & ONRC Tough G5S 8x4 ready for the job — secure yours before allocations are gone Contact us for a quote, walk-around video or availability. Top Features:

- 350 HP Euro 6 MC07H engine – high-output torque (~1,400 Nm) for serious payload and high-volume tasks
- Allison 4430 automatic – heavy-duty transmission designed to handle 8x4 workloads with smooth, low-stress drivability
- 8x4 axle configuration – maximum stability and axle capacity for heavy bodies, long wheelbases and high-density freight
- Full safety suite – EBS, AEBS, hill-assist, collision warning, WABCO radar, 360° vision
- Fleet-ready telematics – utilisation, routing and maintenance dashboards (optional)
- Reinforced chassis – built for large tray bodies, low-loader work, high-volume pantechs, tippers and machinery transport

Performance & Application The G5S 8x4 Cargo is engineered for operators who need serious payload, serious durability, and low running cost. The Euro 6 engine and Allison 4430 auto create a predictable, powerful platform that performs consistently in high-capacity roles without punishing the driver or the fleet budget. A strong fit for both single-owner operators scaling up, and large fleets chasing standardisation, uptime and whole-of-life value. Perfect for:

- Heavy tray-top freight
- Low-loader or plant-carrier applications
- High-volume pantech or refrigerated distribution
- Bulk tipper bodies (chassis supply)
- Long wheelbase, high-payload custom builds
- Mixed-fleet operations needing a reliable 8x4 platform
- Operators wanting heavy capacity without European price tags

Why SITRAK?

- Euro 6 efficiency with excellent fuel economy
- German component partnerships (ZF, WABCO)
- Strong, proven chassis engineered for heavy body configurations
- Driver-friendly interior, automatic transmission and modern safety tech
- Growing national service and support footprint

Finance – We Won't Be Beaten Our in-house team benchmarks every deal against national fleet rates. Seasonal, balloon and residual structures available. Fast approvals for both single operators and fleet accounts. We will not be beaten on overall value. **Warranty & NTI Support**

- 3 years / 600,000 km vehicle warranty
- 3 years / 1,000,000 km driveline warranty
- 24/7 NTI-backed roadside assistance nationwide

Why North East Auto Group? NEAG is one of Australia's largest truck dealer groups, with support across SA, QLD, NSW, VIC, WA & NT. We deliver: Sales, Finance, Parts, Service and Full Body Integration — anywhere in Australia. Contact us for a quote, walk-around video or availability.
