Well suited to owner-operators wanting simplicity and efficiency, as well as fleets looking for a cost-effective, driver-friendly prime mover for high-utilisation work. Perfect for: ■ Regional and interstate linehaul ■ B-double operations ■ Fuel, bulk and livestock haulage ■ Tanker, container and general freight ■ Fleets focused on lower total cost of ownership ■ Owner-operators wanting premium driveline without premium pricing

**Why SITRAK?** ■ European driveline partners (ZF, WABCO) ■ Euro 6 efficiency & reduced running cost ■ Proven global platform with Australian-spec chassis engineering ■ Excellent cab ergonomics, quiet operation & driver comfort ■ Expanding national dealer & support network
