Description

2026 SITRAK G5S 8x4 Tipper Cab Chassis – 350 HP Euro 6 | Allison 4430P Automatic | Built for Construction & Earth-Moving
 \$202,000 + GST & ONRC Heavy-duty G5S 8x4 tipper platform built for the toughest site conditions — limited availability. Contact us today for pricing, build options, walk-around video or delivery timelines. Top Features

- 350 HP Euro 6 MC07H engine – 7.36L high-torque powerplant producing ~1,400 Nm, ideal for loaded site work and constant stop/start duty
- Allison 4430P automatic transmission – proven heavy-duty automatic designed specifically for tipper and vocational applications
- 8x4 tipper-specific chassis – reinforced frame engineered for dump-body fitment, PTO compatibility and high-cycle site use
- Comprehensive safety package – EBS, AEBS, hill assist, forward collision warning, WABCO radar and 360° surround view
- Fleet-ready telematics – utilisation, routing and dump-cycle data dashboards (optional)
- Rugged construction – designed for both highway haulage and harsh construction environments

Performance & Application The SITRAK G5S 8x4 Tipper is purpose-built for operators working in demanding construction, quarry and earth-moving environments. The combination of the Euro 6 MC07H engine and Allison 4430P automatic delivers predictable torque, smooth drivability and reduced driveline stress — keeping trucks productive and drivers comfortable across long shifts and heavy loads. Designed to suit high-duty tipping bodies while maintaining durability, safety and uptime. Ideal Applications

- Earth-moving and civil construction
- Quarry and bulk material haulage
- Waste and recycling operations
- High-volume site tipping
- Fleet and council operations
- Heavy-duty vocational tipper builds
- Operators needing reliable uptime under constant load

Why SITRAK?

- Euro 6 efficiency with strong real-world fuel economy
- German component partnerships (WABCO safety systems)
- Robust chassis engineering designed for vocational bodies
- Automatic transmission reduces wear and driver fatigue
- Expanding national dealer and service network
- Exceptional whole-of-life value versus European alternatives

Finance – We Won't Be Beaten Our in-house finance team benchmarks every deal against national fleet rates. Seasonal, balloon and residual structures available. Fast approvals for owner-drivers and fleet buyers. We will not be beaten on overall value, structure or speed. **Warranty & NTI Support**

- 3 years / 600,000 km vehicle warranty
- 3 years / 1,000,000 km driveline warranty
- 24/7 NTI-backed roadside assistance Australia-wide

As we say: We can't expect you to have confidence in the product unless we have confidence in the product. **Why North East Auto Group?** North East Auto Group is one of Australia's largest truck dealer groups, with national reach across SA, QLD, NSW, VIC, WA & NT. We offer end-to-end solutions including Sales, Finance, Body Integration, Parts and Service, with Australia-wide delivery. Contact us today for pricing, build options, walk-around video or availability.
