Description

Very tidy and extremely tidy example of International Prostar powered by the Cummins 550 hp engine coupled to the Eaton Ultrashift through to Meritor diffs both with cross locks. This is a 1 owner truck with a cab interior that is spotless and also has been very well looked after doing oversize agricultural work. Also on the rear there is a hitch coupling and extra hydraulic controls for towing ag equipment if needed. Bridgestone tyres all round the truck on 10 stud Alcoa alloys. The truck has been fully serviced and checked over and is ready for a variety of work and is rated to 110,000 kg GCM with paperwork supplied. Will not disappoint

Product Details

Price	\$92,500
Type	Dealer Used
Year	2017
Odometer	612346
Make	International
Model	ProStar Sleeper
GCM	110,000 kg
