Description

The Hino 700 Series is engineered for operators who demand proven reliability, advanced safety, superior technology, and operational efficiency – all in a versatile heavy-duty truck. With an expanded range now offering increased power, more transmission options, and greater adaptability across a wider range of applications, it's built to meet the toughest industry demands. Featuring the most comprehensive Hino SmartSafe package ever, Euro 6-compliant engines for cleaner operation, and Hino-Connect telematics now standard across the range. Together, the Hino 700 Series delivers more power, more capability, and more solutions to keep your business moving. And for total peace of mind, every model comes with 5 Years Warranty[^] and 5 Years Roadside Assist as standard. Free First Service All new Hino trucks come with a FREE inspection at your first 5,000km when completed by an authorised Hino dealership. There are no hidden costs and all labour, engine oils and filters are included.
