Description

FOR HIRE DEVELON DX60Z-7 6T TRACKED EXCAVATOR Contact us for further information on availability and rates 1800 SEM HIRE bookings@semhire.com.au _____ The DEVELON DX60Z-7 6T Tracked Excavator combines exceptional digging power, advanced hydraulics, and a compact zero tail swing design to deliver outstanding performance across a wide range of construction and earthmoving applications. Ideal for civil works, commercial construction, utilities, demolition, and large-scale landscaping projects, the DX60Z-7 offers the power of a larger machine while maintaining excellent manoeuvrability in confined work areas. Powered by a reliable, fuel-efficient diesel engine and equipped with DEVELON's advanced hydraulic system, the DX60Z-7 delivers smooth, precise operation with impressive lifting capacity and breakout force. The spacious operator's cabin features ergonomic controls, excellent visibility, climate control, and superior comfort to maximise productivity throughout the workday. Its zero tail swing design enables safe and efficient operation alongside buildings, fences, and other obstacles without compromising performance. With an operating weight of approximately 6 tonnes and a maximum digging depth of over 4.1 metres, the DX60Z-7 is built to handle demanding excavation tasks while remaining easy to transport between job sites. Perfect for: Civil construction and infrastructure projects Bulk and detailed excavation Trenching and underground service installation Commercial and residential construction Demolition and site preparation General earthmoving and landscaping Available for short-term or long-term hire with competitive rates. Contact our team today to discuss your project requirements and secure the DEVELON DX60Z-7 for your next project. MODEL Max. Digging Reach A 5,946 (mm) Max.
