Description

2015 ISUZU FRR 500 CURTAINSIDER A versatile and well-equipped 2015 Isuzu FRR 500 Curtainsider, ideal for freight, logistics, and general transport operations. Built for reliability and efficiency, this truck offers excellent load capacity combined with practical features for everyday work. The curtainsider body measures L7790 x W2320 x H2380, providing generous cargo space and easy side access for loading and unloading. It comes fitted with tie-down rails and access steps for safer and more convenient operation. Brand new white load restraint curtains have been ordered, giving the truck a clean, professional appearance. For loading efficiency, it features an Anteo 2-tonne alloy tailgate with foot controls, making pallet handling quick and simple. A 200L lockable diesel tank allows for longer runs between refuelling. This truck is also fitted with a genuine Isuzu alloy bull bar for added front-end protection, along with a reverse camera to assist with safe manoeuvring. Inside the cab, the truck is designed with driver comfort in mind. Features include an ISRI driver seat, cruise control, air conditioning, multimedia player, heated/electric mirrors, power windows, overhead storage, and seating for three. Safety features include ABS braking.
