Description

2026 IVECO S-WAY AS700 550HP 6x4 PRIME MOVER HI-ROOF SLEEPER ■ 70T GCM ■ 3200MM WB Truck Overview If you're chasing a serious linehaul prime mover that's built for high productivity, driver comfort, and long-haul efficiency — the Iveco S-Way AS700 550HP is exactly that. This is not your average fleet truck. This is a purpose-built 6x4 prime mover designed for B-double work, interstate freight, and heavy-duty applications, delivering the power, torque, and spec to handle Australia's toughest transport demands. Powered by the proven Cursor 13 Euro VI engine, this unit produces a massive 550HP and 2,500Nm of torque, giving you effortless pulling power across highways, hills, and heavy loads. Matched with the 16-speed Hi-Tronix Automated Manual Transmission (AMT), you get smooth, intelligent shifting with fuel-saving features like Eco Roll and predictive cruise control — making long-distance driving easier and more efficient. With a 70,000kg GCM, this truck is fully capable of B-double applications, making it ideal for operators running high-volume freight or looking to scale their transport operation.

Key Specifications

- 2026 Brand New Iveco S-Way AS700 Prime Mover
- 6x4 Configuration – Built for heavy-duty haulage
- 550HP / 2,500Nm Cursor 13 (12.9L) Euro VI engine
- 16-speed Hi-Tronix Automated Manual Transmission
- 70,000kg GCM – B-Double capable
- 27,600kg GVM
- 3200mm Wheelbase
- Approx. 1010L fuel capacity (long-haul ready)
- Disc brakes all round with advanced braking systems
- 8-bag rear air suspension with ECAS for load stability

Prime Mover Capability This is where the S-Way really stands out. Built specifically as a prime mover, this truck is engineered for:

- B-Double combinations up to 70T GCM
- Interstate and long-haul freight
- Tanker, refrigerated and general freight applications
- High productivity fleet work

With its high torque output and intelligent driveline, it maintains speed under load, reduces driver fatigue, and improves fuel efficiency — exactly what you want in a long-haul setup.

Cab & Driver Comfort

The Active Space high-roof sleeper cab is designed for drivers who live on the road:

- Full-size sleeper with bunk setup
- Fridge/freezer and storage throughout
- Air-suspended heated seats
- Climate control with integrated parking cooler
- 7" touchscreen with Apple CarPlay & navigation
- Multifunction steering wheel with cruise & media controls

This isn't just a truck — it's a proper long-haul workspace built for comfort and productivity.

Safety & Technology

- Adaptive Cruise Control (ACC)
- Advanced Emergency Braking (AEB)
- Lane Departure Warning (LDWS)
- Electronic Stability Control (ESC)
- Tyre Pressure Monitoring System (TPMS)
- Full air disc brakes with EBS
- Predictive driving systems for fuel efficiency

Why Buy From ?

- Trusted regional dealership with strong industry reputation
- Finance and tailored packages available
- Trade-ins welcome
- Australia-wide delivery options
- Ongoing servicing and support available
