Description

2026 Variant 3521 TB 3500 kg 3-Way Tipper Trailer

Heavy load. One button. Done.

At 3,500 kg ATM with 2,362 kg in an aluminium box, this is the trailer for operators who move volume every day. Landscapers, civil contractors, hire fleets — the electric hydraulic tipper does the unloading. No waiting, no shovelling, no extra crew.

KNOTT mechanical overrun brakes — no brake controller, no wiring, no compatibility checks between vehicles.

Aluminium tipper body. Hot-dip galvanised chassis. KNOTT Parabolic Leaf Spring. LED lighting.

Built for working life — mud, sand, gravel, all weathers. It just does the job and keeps doing it.

Danish-designed. RVSA 2023 compliant. Ready to register.
