Description

2026 Variant 1315 T2 1350 kg 1-Way Tipper Trailer
Small trailer. Real tipper. No unloading by hand.

For the tradesperson who needs to move materials and tip them out without a labourer waiting. Gravel, sand, mulch, demo rubble — the electric hydraulic tipper does the work while you wait in the cab. 820 kg in a compact footprint.

KNOTT mechanical overrun brakes — no brake controller, no wiring, no compatibility checks between vehicles.

Aluminium tipper body. Hot-dip galvanised chassis. KNOTT Parabolic Leaf Spring. LED lighting.
Lightweight body means more payload. The chassis will not rust sitting in the yard between jobs.

Danish-designed. RVSA 2023 compliant. Ready to register.
