We spend a great amount of time and effort to ensure that each truck, new or used, is presented in a way that reflects our reputation for excellence. Featuring the most comprehensive Hino SmartSafe package ever, Euro 6-compliant engines for cleaner operation, and Hino-Connect telematics now standard across the range. Together, the Hino 700 Series delivers more power, more capability, and more solutions to keep your business moving. And for total peace of mind, every model comes with 5 Years Warranty^ and 5 Years Roadside Assist as standard. What's the best thing about going to work? coming home at the end of the day, right? Forget all the airbags and passive safety devices you see out there that only help you AFTER a crash; this truck has something no others have. Vehicle stability control (VSC).VSC is intelligent and will actively stop you from having a crash by applying brakes to each wheel independently when its detects the truck may be losing traction, entering a slide or a spin. Let your family know that when you're at work, you're in good hands with Hino.
