## Description

Semco Group is a full-service heavy equipment sale and service organisation with locations in Sydney, Melbourne, Brisbane, Newcastle, Queanbeyan and Goulburn. Small and efficient The smallest of the MB screening bucket line, suitable for mini excavators from 4 to 9 Tonne. It is a great choice for small yards and landscaping jobs. Ideal for before or after crushing, the MB-S10 S2 screening bucket will reduce crushing time up to 60% by screening out unwanted material (quarry residue, dry soil, and river stone) of any kind, making it convenient for on-site processing. Crucial in space limited applications. The screening buckets MB are equipped with baskets formed by interchangeable modular panels, available with holes of different sizes based on requirements. For more information contact SATCH 1800 685 525
