## Description

Semco Group is a full-service heavy equipment sale and service organisation with locations in Sydney, Melbourne, Brisbane, Newcastle, Queanbeyan and Goulburn. The biggest in the world! The largest screening bucket in the world, unique in its kind, can be used with excavators greater than 35 Tonne. Ideal for use before or after crushing, the MB-S23 screening bucket will reduce crushing time up to 60%. It also allows the screening of natural material (quarry residues, dry soil, and river stone) of any kind, making it convenient for on-site processing. A must in reducing volumes and optimising the size of materials for specific uses. For more information contact SATCH 1800 685 525
