Description

UBTECH UBT50S Silence Excavator Hydraulic Rock Breaker ATTUBT Hydraulic Hammer Suit 10-16 Tonne Excavators----ONLY $13,900.00 + GST UBTECH Hammers are manufactured in South Korea as with hammers available on the market today. PROVEN QUALITY AND VALUE FOR MONEY. 5 Years Warranty on Main Frame & 12 Months Factory Parts Warranty. *Factory warranty does not cover everyday wear parts, consumables or everyday maintenance issues. UBTECH Hammers are the heaviest in the market we have seen. When comparing weights of hammers it is important to consider whether the head bracket, hoses and moil are included! All hammers are sold WORK READY with no surprise costs when it comes to fitting your hammer to your machine, come complete with moil, hoses and head bracket installed. Hydraulic hoses supplied standard with screw-in fittings. Simply attach to the excavator and begin work with your breaker pre-gassed, flow and pressure tested, and fully adjusted to suit your machine. _____ UBT50S, Suit 10-16 tonne excavators.
