Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters. All equipment can be delivered Australia wide. Finance is available on all our equipment from 4.5%. DWL Machinery is also an attachment dealer and supplies all Australian delivered accessories and attachments for excavators and skid steer loaders. For any questions please phone Jacob from DWL Machinery. _____ Price of this listing is for a set of Sureweld 1500kg aluminium loading ramps. We stock Surewelds complete range of aluminum ramps from 1500kg to 11 500kg. Sureweld's ramps are available in a steel track series, rubber track series and a PT skid steer series as well as ramps for mowers and ATV's. Please contact us for a quote on the size ramp you are after. Climaxx Ramps The Ultimate Aluminium Loading Ramps Climaxx Aluminium Loading Ramps are essential when it comes to loading construction, agricultural and/or domestic machinery. The innovative design and durable build quality of these extremely lightweight ramps are second to none, and thus, the Climaxx range has become the industry leader in portable aluminium loading ramps. The Climaxx ramp series consists of several different models each designed for a specific type of vehicle or piece of machinery. These different models include: ATV Series Our most popular ramp; ultra lightweight and exceptionally strong. MOWER Series With the same great design as the ATV series, the MOWER ramps are curved to allow the loading of vehicles and machinery with low clearance. RUBBER Series Truck loading ramps designed for use with vehicles and machinery that have pneumatic, air-filled, tyres. TRACK series Designed to load vehicles and machinery on steel tracks. PT Series Designed to load vehicles and machinery with rubber tracks. Climaxx aluminium machinery ramps are available in a several different sizes, but they can also be custom-made to any size at your request. To find out more about car loading ramps and loading ramps for utes, or enquire about having your own custom-built aluminum loading ramp, please feel free to contact us today! _____ Freight Australia wide is as follows: Melbourne $150 + GST Sydney $190 + GST Brisbane $220 + GST Adelaide $190 + GST Sale price is PLUS GST and a tax invoice will be supplied to the buyer. We are a bucket and attachment dealer, please contact us for a quote for all your additional attachments and buckets for excavators and skid steers.
