## Description

**2026 Variant Flatbed Pro-Line 3521 P4**
Open deck. Maximum load options.

When the load does not fit in a box, the flatbed is the answer. 2,820 kg on an open steel deck — machinery, long materials, pallets, oversized equipment. No height restrictions from box sides. Load from either side, the back, or above.

**Mechanical overrun brakes — self-regulating, no controller required.**

**Hot-dip galvanised. Parabolic leaf spring suspension. LED lighting.**
Galvanised before assembly. Protection in the steel, not on it. Built for outdoor storage and rough handling.

Danish-designed. RVSA 2023 compliant. Ready to register.
