## Description

Provides four toilet and hand basin cubicles, plus 2 urinals in one simple solution with a partition wall if you want to separate men & women. We recommend partitioning so that there are 2 urinals and 1 toilet for the men who tend to take less time in the toilet, and 3 toilets for the females. This unit also comes in a smaller sized unit called the 2in1 with 2 toilets and 2 hand basis plus an optional external urinal. The 4+2 Toilet Trailer 420 is often used by: People whose homes are undergoing renovation Construction and building sites where staff need access to an on-site toilet. Outdoor events such as parties, weddings, markets, parades and performances. All Scavogn cabins are customisable so if the standard solution isn't quite what you need, you can make your portable toilet exactly the way you want it. There is a range of additional options that can be included. Toilet Type The cabins often use flushing toilets with waste disposal, but can also be supplied with vacuum toilets. The cabins come with a technical compartment or a separate technical room for each toilet. Easy To Use & Clean The trailer is connected to a standard towbar and can be set up and ready in a few minutes. This makes it possible to move the trailer from place to place quickly and efficiently without any hassle. The trailer is made of clean and durable materials, and sleek minimalistic designs, saving time for cleaning and maintenance. Manufacturers Website
