## Description

2006 Komatsu D21A-8 Dozer Japanese manufactured. 43 HP Komatsu Diesel engine. NEW Heavy Duty Rippers fitted, New Stick Rake fitted. Nice little machine for someone who has a small to medium farm property and wants to put in their own improvements or a residential civil contractor that needs to work around tight spaces. Acreage workhorse. Gumtrees (4-12") and lantana are no problem, depending on work conditions and tree species. This is the Power Shift Transmission / Hydrostatic model – allows shifting without using a clutch. There is still a clutch if you need it for close in work. 2 forward speeds / 2 reverse. This provides a more open cab design than the direct drive models and allows for much faster operation. ■ Low Hours ■ NEW Heavy Duty Rippers – specifically designed for this machine to give maximum depth ■ New Heavy Duty Root rake ■ 6 Way Blade ■ FOPS / ROPS Certified Canopy ■ General Workshop Check & Service ■ Digital Spare Parts Manual Included (parts readily available through Komatsu Australia) Wholesale price-----  
\$POA+GST Due to staff shortages, inspections are by prior arrangement only
