## Description

2005 Komatsu D21 D21P-8 Dozer with Rubber Tracks Japanese manufactured. 43 HP Komatsu Diesel engine. Low hours. Nice little machine for someone who has a small to medium farm property and wants to put in their own improvements or a residential civil contractor that needs to work around tight spaces. Acreage workhorse. Gumtrees (4-12") and lantana are no problem, depending on work conditions and tree species. This is the Power Shift Transmission / Hydrostatic model – allows shifting without using a clutch. There is still a clutch if you need it for close in work. 2 forward speeds / 2 reverse. This provides a more open cab design than the direct drive models and allows for much faster operation. . 6 Way Blade . FOPS / ROPS Certified Canopy . NEW Heavy Duty Rippers available - specifically designed for this machine to give maximum depth . Tree Spear Available . General Workshop Check & Service . Digital Spare Parts Manual Included (parts readily available through Komatsu Australia) Wholesale price--------$POA+GST Due to staff shortages, inspections are by prior arrangement only
