Description

BRAND NEW FAE SPEED FORESTRY TILLER FOR TRACTORS SFM SSL SSL/SPEED SSH NATION WIDE & INTERNATIONAL DELIVERY LIKE OUR PAGE FOR ALL NEW LISTINGS: @dwlmachinery Ph: Andrew 0401 873 538 or 1300 DIAL DWL -Finance is available on all of our equipment _____ DWL Machinery is a liquidation and clearance company who sell direct to the public. Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Auger Torque and ABS. _____ How to choose the right FAE forestry tiller Do you have a tough job involving thick stumps or deep roots? Some FAE models come standard with an innovative central gearbox cooling system. Do you have to shred the material very finely? FAE offers models with effective forestry counter blades that are easy to remove for maintenance. Are you worried about reliability? FAEs product durability is unmatched! We only use top-quality materials and our machines are equipped with the most innovative technical solutions. FAE also has models with interchangeable internal protections that guarantee unparalleled output and superior long-term reliability. Contact us to learn which machine and accessories will meet your specific needs. How much does a FAE forestry tiller cost? The cost of a FAE forestry tiller is very reasonable when you consider its superior performance that guarantees a high-quality product. Request a quote. FAE forestry tiller applications Depending on the model, FAE forestry tillers are great for finely shredding vegetation that is 30-70 cm in diameter, with a 12-50 cm working depth. This allows to better incorporate the resulting material into the soil, when needed, for faster decomposition into humus. For every type of 100+ hp tractor, FAE has a line of sturdy, fixed-tooth forestry tillers, with a wide range of optional equipment available, to tackle multiple challenges with ease, including powerful tree shredding, agriculture tilling and soil reclamation, fire mitigation and protection, and any type of trail, orchard, vineyard, nursery, and green area maintenance. For more information and specs please see the link below https://www.fae-group.com/en_AU/products/land-clearing/pto-driven-heads/tillers-for-tractors _____ We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Brian James Trailers, Auger Torque and ABS. - Accepted payment methods: Internet transfer, cheque, cash, Paypal or credit card. Please note Paypal or credit card payments incur a 2% surcharge Feel free to contact Andrew from DWL Machinery on 0401873538 for any further questions about machinery, finance, trade-ins, attachments and delivery DWLSFM
