## Description

Forestry mulcher and stone crusher with mulching diameter and maximum working depth of 15 cm/6, for tractors between 120 and 160 HP. This unique machine combines the functionality and efficiency of a forestry mulcher with that of a stone crusher. It is designed and built to meet the needs of professional contractors grinding trees and crushing rock up to 15 cm/6 in diameter with a single machine. The gearbox multiplier system makes it possible to run the rotor at two different speeds: 540rpm for crushing, and 100rpm for grinding. The wide range of options makes this machine extremely versatile for work in multiple applications. The standard equipment includes: -PTO shaft with cam clutch -gearbox with freewheel -transmission with belts in Poly-Chain Carbon -hydraulic hood -welded steel counter-blades -adjustable Hardox counter-blade -inner anti wear clad plates FCP -enclosed machine body -inside lateral protections -dual row protection chains Available on demand: hydraulic top link, mechanical push frame, hydraulic push frame, dozing blade, grader blade (not compatible with roller), hydraulic controlled roller (not compatible with dozing blade). DWL Machinery is a liquidation and clearance company who sell direct to the public. Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters. We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Auger Torque and ABS. -Australia wide delivery and International shipping simply send us your location for a quote. Pick up is in Bringelly NSW Australia 2179 or Dandenong South VIC 3175 -Finance is available on all of our equipment -We accept trade-in's, email us photos and details of the machines for valuations. -Accepted payment methods: Internet transfer, cheque, cash, Paypal or credit card. Please note Paypal or credit card payments incur a 2% surcharge. Feel free to contact Jacob from DWL Machinery for any further questions about machinery, finance, trade-ins attachments and delivery.
