Description

Professional mulcher for excavators from 4 to 7.5 t with Bite Limiter technology FAE introduces a new line of professional mulchers for excavators equipped with Bite Limiter technology. Special steel profiles limit the depth of blade action, reducing the demand for power, guaranteeing speed and exceptional performance. The BL1/EX (for 4-7.5 t excavators) has a 800mm / 31in working width and can mulch logs up to 12cm / 5in in diameter. The piston motor (with manually controlled variable displacement) makes it easy to use this mulcher on different excavators with different oil flow rates. The BL1/EX has a rotor equipped with a heat-treated forged steel tooth holder, together with Type E reversible blades. This light, compact mulcher is easy to manoeuvre and perfect for various types of forestry work. Standard equipment: -17/34cc variable manual displacement hydraulic piston motor with relief and anticavitation valve -flow control system valve -safety and anticavitation valve -motor enclosed in the frame -belt transmission -bulkhead for hydraulic connections -front hood with mechanical adjustment -Bite Limiter rotor. Options: Diverter valve (plug in and play), hydraulic front hood, dedicated rear hood (deflector), front fixed thumb and customized attachment bracket with pins, multiple tooth options. DWL Machinery is a liquidation and clearance company who sell direct to the public. Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters. We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Auger Torque and ABS. -Australia wide delivery and International shipping simply send us your location for a quote. Pick up is in Bringelly NSW Australia 2179 or Dandenong South VIC 3175 -Finance is available on all of our equipment -We accept trade-in's, email us photos and details of the machines for valuations. -Accepted payment methods: Internet transfer, cheque, cash, Paypal or credit card. Please note Paypal or credit card payments incur a 2% surcharge. Feel free to contact Jacob from DWL Machinery for any further questions about machinery, finance, trade-ins attachments and delivery.
