Description

Heavy Duty Soil stabilizer, for Tractors between 300 & 500 HP. STABI/H FAEs new series of pure soil stabilizer STABI/H is a state of the art system, made for pure soil stabilization. Ideal to work on the job-sites from small to big road, highways, car parks and airport projects. Thanks to a variable displacement chamber (mobile rotor) and a rotor integrated transmission this unit can work up to 50 cm/20 in the soil and guarantees excellent quality of mixing in every working depth. A very strong design and the FAE holder-teeth system ensures long performance in any working conditions. The standard equipment includes: PTO driveshaft, dual rotor integrated transmission forged tool holders made of heat treated steel bolted forged rotor axels bolted interchangeable anti wear inner plates Variable displacement chamber rear hydraulic protection hood Available on demand: hydraulic top link, adjustable grid on rear hood, rear dozing metal extension flap, water spray system classic or full control version, possibility to have the rotor equipped with tooth type A/3/HD, F/3 and F/3/R44. DWL Machinery is a liquidation and clearance company who sell direct to the public. Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters. We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Auger Torque and ABS. -Australia wide delivery and International shipping simply send us your location for a quote. Pick up is in Bringelly NSW Australia 2179 or Dandenong South VIC 3175 -Finance is available on all of our equipment -We accept trade-in's, email us photos and details of the machines for valuations. -Accepted payment methods: Internet transfer, cheque, cash, Paypal or credit card. Please note Paypal or credit card payments incur a 2% surcharge. Feel free to contact Jacob from DWL Machinery for any further questions about machinery, finance, trade-ins attachments and delivery.
